

Bedok South

Bloom

**HDB'S SALES LAUNCH
FEBRUARY 2024**

BTOgether

BEDOK SOUTH BLOOM

Bedok South Bloom is located along New Upper Changi Road and near The Marketplace @ 58, a neighbourhood centre that provides residents with the conveniences of a wet market, food outlets, and shops. The project comprises 2 residential blocks of 25 storeys each, a precinct pavilion, and a 6-storey Multi-Storey Car Park (MSCP) block that will also have a preschool at the ground floor. You can choose from 528 units of 2-room Flexi and 4-room flats.

Artist's impression

Bedok South Bloom will be designed with lush landscaping, featuring abundant flora and fauna. Residents looking for a quiet respite can head to the sensory garden or the MSCP's roof garden. Activity spaces are available in the form of children's playgrounds and fitness corners located within the project's central green.

Please refer to the site plan for the facilities provided in Bedok South Bloom. Facilities in this project will be accessible by the public.

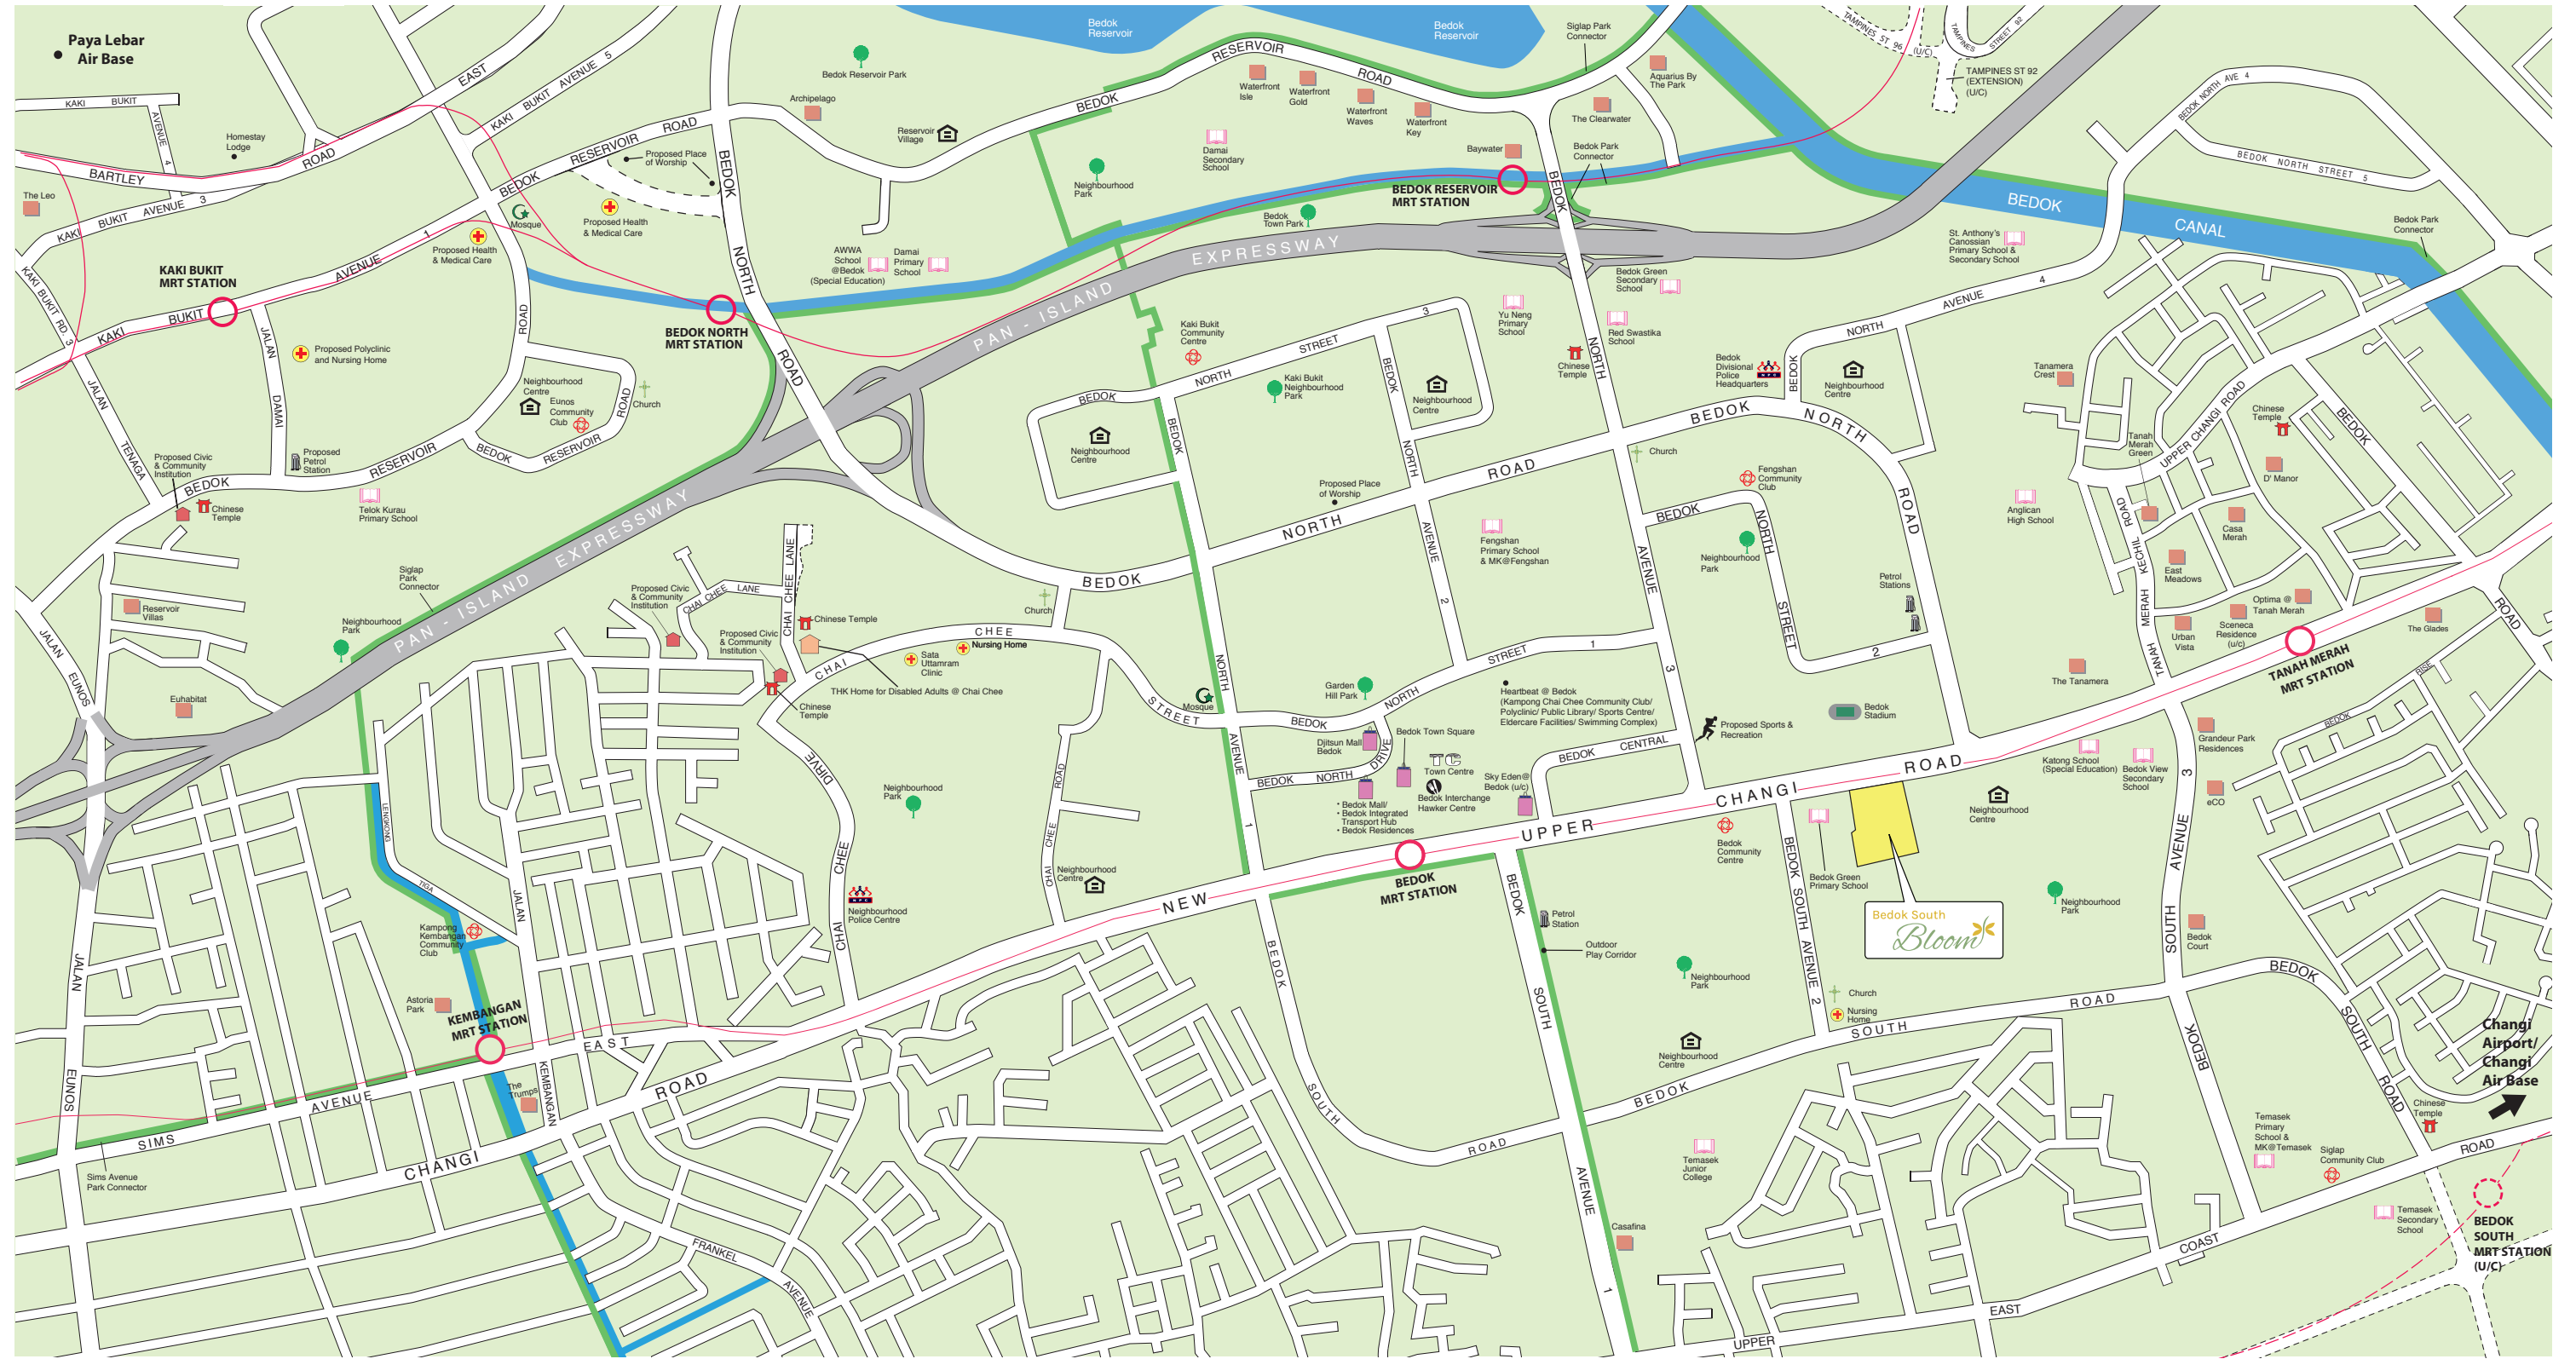

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities, and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.
