

CRAWFORD HEIGHTS

**HDB'S SALES LAUNCH
OCTOBER 2024**

BTOgether

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

CRAWFORD HEIGHTS

Bounded by North Bridge Road and Crawford Street, Crawford Heights is named for its location and impressive height and consists of a single 40-storey residential block with 312 units of 3- and 4-room flats. These flats will be offered as Prime flats under the new flat classification (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/finding-a-flat/standard-plus-and-prime-housing-models>). HDB will pilot a new White flats layout in this project, providing flat buyers with greater flexibility in configuring their living spaces in the flat.

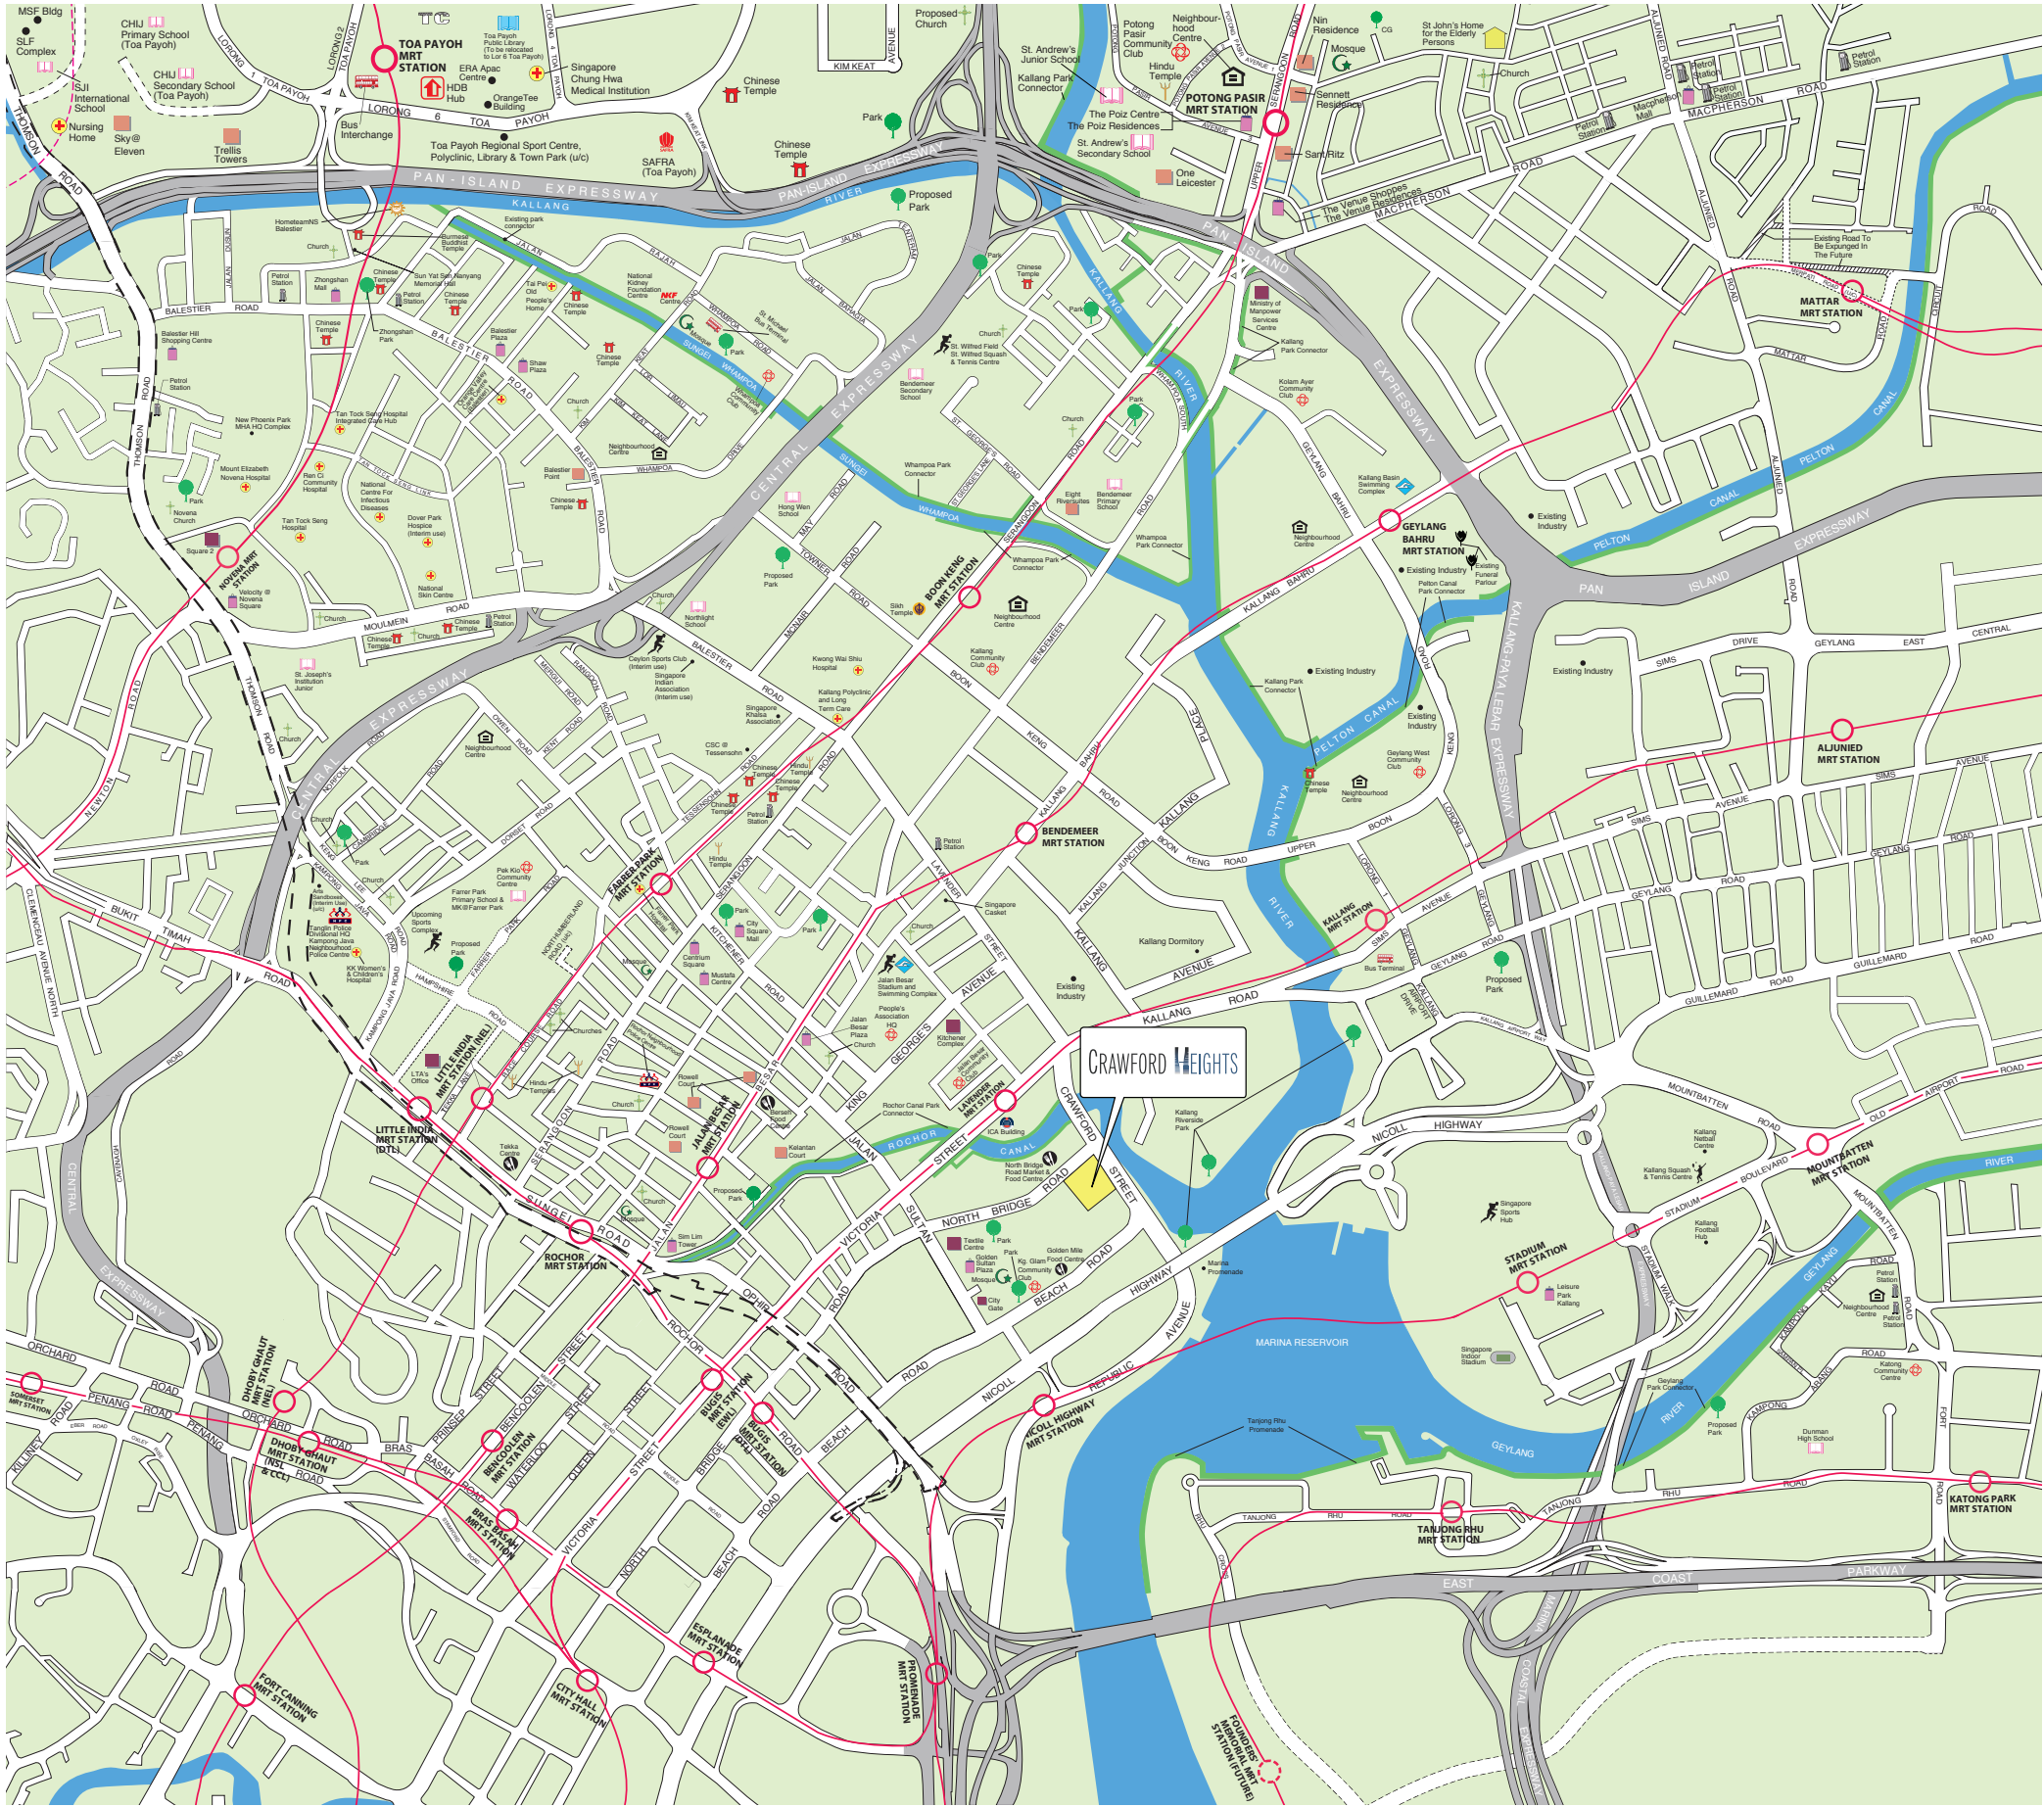

Artist's impression

Envisioned as a sanctuary close to the Rochor River, Crawford Heights will feature a preschool and a residents' network centre, fostering a supportive and inclusive community. Various recreational spaces, such as the roof garden atop the Multi-Storey Car Park (MCSP), playgrounds, and fitness stations, will offer a tranquil respite amid the urban landscape.

Please refer to the site plan for the facilities provided in Crawford Heights. Facilities in this project will be accessible by the public.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Crawford Heights will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electric vehicle charging stations
- Use of sustainable products in the project
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

SMART SOLUTIONS

Crawford Heights will come with the following smart solutions to reduce energy usage, and contribute to a safer and more sustainable living environment:

- Smart-Enabled Homes with provisions to facilitate adoption of smart home solutions
- Smart Lighting in common areas to reduce energy usage

EMBRACING WALK CYCLE RIDE

With an increased focus on active and healthy living, the housing precinct is designed with well-connected pathways to make it easier for residents to walk and cycle more as part of their daily commutes to the surrounding amenities and public transport:

- Convenient access and walking distance to public transport
- Safe, pleasant, and welcoming streets for walking and cycling
- Sheltered linkways and barrier free accessibility to facilities
- Wayfinding and signages for orientation and navigation

Residents will be served by bus services and Lavender MRT Station. Learn more about transport connectivity in this precinct using MyTransport.sg app at <https://www.lta.gov.sg/content/dam/ltagov/Home/PDF/MTM.pdf>.

FINISHES AND FITTINGS

More than just a well-designed and functional interior, these flats will come with the following finishes and fittings.

3- AND 4-ROOM	
<ul style="list-style-type: none"> • Floor tiles in the: <ul style="list-style-type: none"> • Bathrooms • Household shelter • Kitchen/ utility (3-room) • Kitchen and service yard (4-room) 	<ul style="list-style-type: none"> • Wall tiles in the: <ul style="list-style-type: none"> • Bathrooms • Kitchen/ utility (3-room) • Kitchen (4-room) • Water closet suite in the bathrooms

WHITE FLAT OPTION AND OPTIONAL COMPONENT SCHEME (OCS)

White flats will feature a contiguous living and bedroom space, without partition walls, to provide greater flexibility to flat buyers in configuring the layout of their flats. Flat buyers will hence have an open canvas to easily design and adapt the spaces within their flat according to their needs.

Buyers who opt for a White flat will enjoy a **price reduction of \$6,000 and \$8,600** for a 3-room and 4-room flat respectively.

Buyers who do not opt for a White flat will be provided with a default flat layout with bedroom walls.

The following Optional Component Scheme (OCS) options are available on an opt-in basis:

WHITE FLAT	DEFAULT FLAT
<ul style="list-style-type: none">Bathroom doors and sanitary fittings <p>Note: Flooring for the living/ dining area, dry kitchen (3-room), and bedrooms is not offered. This will offer greater flexibility for flat owners to plan and design their living spaces. Bedroom doors will also not be offered, as there are no internal bedroom partition walls in a White flat.</p>	<ul style="list-style-type: none">Flooring for the living/ dining area, dry kitchen, and bedroomsBedroom/ bathroom doors and sanitary fittings

If you opt-in for OCS, the cost of the optional components will be added to the price of the flat. Please refer to the attached OCS leaflet for details.

LAYOUT IDEAS

3-ROOM FLOOR PLAN (DEFAULT)

(With Suggested Furniture Layout)

APPROX. FLOOR AREA 66 sqm

(Inclusive of Internal Floor Area of 63 sqm and Air-con Ledge)

Residential units in Crawford Heights are designed without beams within the internal spaces, which results in a consistent headroom instead of having lower headroom at areas with beams. As a result, residents will have greater flexibility in configuring the layout of their flat according to their needs.

To cater to changing lifestyles and provide more flexibility in the use of kitchen space, HDB has designed the flats with an open kitchen concept comprising a dry kitchen and a combined kitchen/utility space.

The layout offers homeowners flexibility in configuring the area according to their preferences.

For example, you can add partitions to separate the dry kitchen & wet kitchen/ utility, as indicated in the dotted lines.

The coloured floor plan is not intended to demarcate the boundary of the flat
