

**HDB'S SALES LAUNCH  
FEBRUARY 2025**

**BTTogether**

## IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

## TANJONG RHU PARC FRONT

Tanjong Rhu Parc Front is bounded by the existing Tanjong Rhu Road, Kallang Paya Lebar Expressway (underground), and East Coast Parkway. This project features 4 residential blocks comprising 812 units of 2-room Flexi, 3-room, and 4-room flats, offered as Prime flats under the new flat classification (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/finding-a-flat/standard-plus-and-prime-housing-models>). 1 of the blocks will also include 203 rental flats.

The landscape design maintains the tranquil beauty of the area, with harmonious connections between the Geylang River to the north, the Singapore Strait to the south, and the Singapore Sports Hub that is within. The name 'Tanjong Rhu Parc Front' reflects its proximity to Tanjong Rhu Road and the nearby recreational parks.

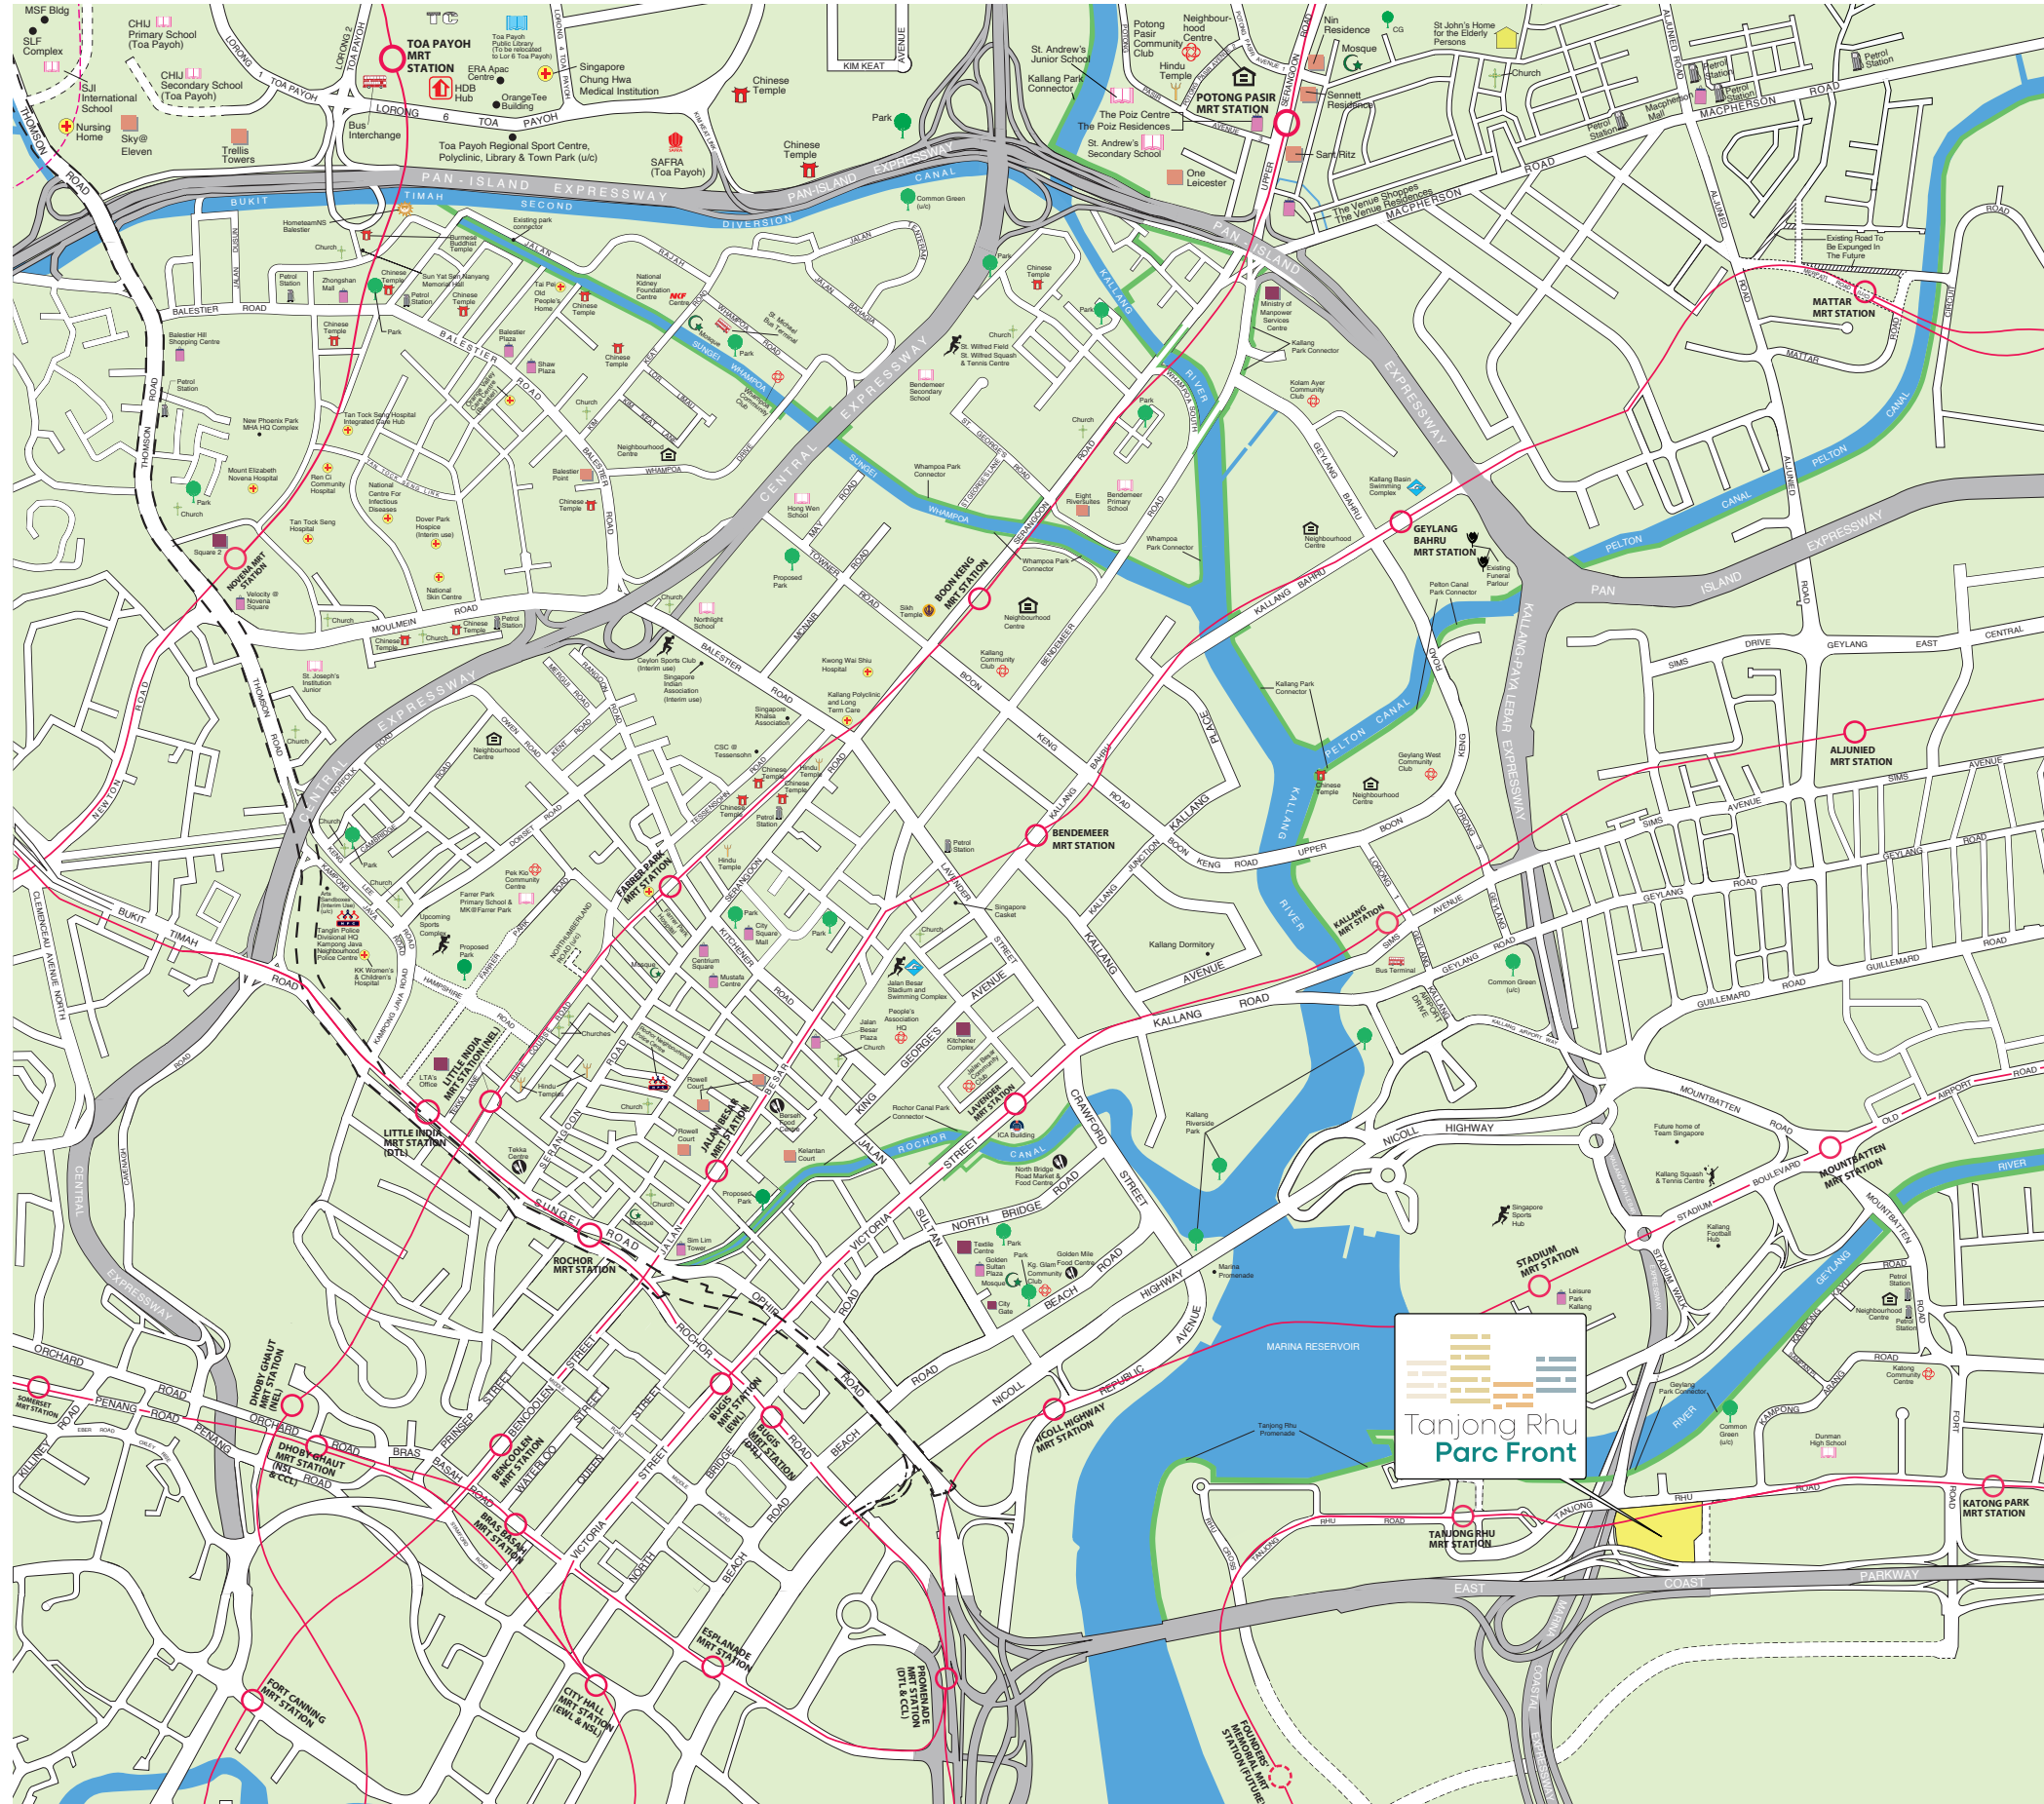

A preschool on the first floor of the Multi-Storey Car Park (MSCP), will open into a vibrant green courtyard that directly connects to a children's playground. Fitness corners are conveniently located within the main precinct green and central courtyards. Apart from the residents' network centre within the development, residents can also enjoy the roof garden on the 7-storey MSCP, which features lush landscaping, shelters, and communal spaces for residents to bond and relax. The diverse range of amenities will cater to residents across all ages and lifestyles.

For a detailed layout of the facilities provided at Tanjong Rhu Parc Front, please refer to the site plan. Facilities in this project will be accessible to the public.
