**HDB'S SALES LAUNCH  
JUNE 2024**

**BTOgether**

## IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

## TANJONG RHU RIVERFRONT I & II

Overlooking the scenic Geylang River, Tanjong Rhu Riverfront I & II are bounded by Tanjong Rhu Road, Kampong Arang Road, and Sampan Place. The projects are offered under the Prime Location Public Housing (PLH) model (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/finding-a-flat/plh>), and comprise 2,063 units of 2-room Flexi, 3-, and 4-room flats spread across 11 residential blocks ranging from 8 to 29 storeys high. The layout and heights of the blocks are designed to optimise views of the Geylang River, and common green areas located between the projects.

Inspired by the riverfront location of the projects, the design of Tanjong Rhu Riverfront I & II, particularly the sampan-inspired shapes adorning the top of the residential blocks, pays homage to the boat culture of yesteryear.

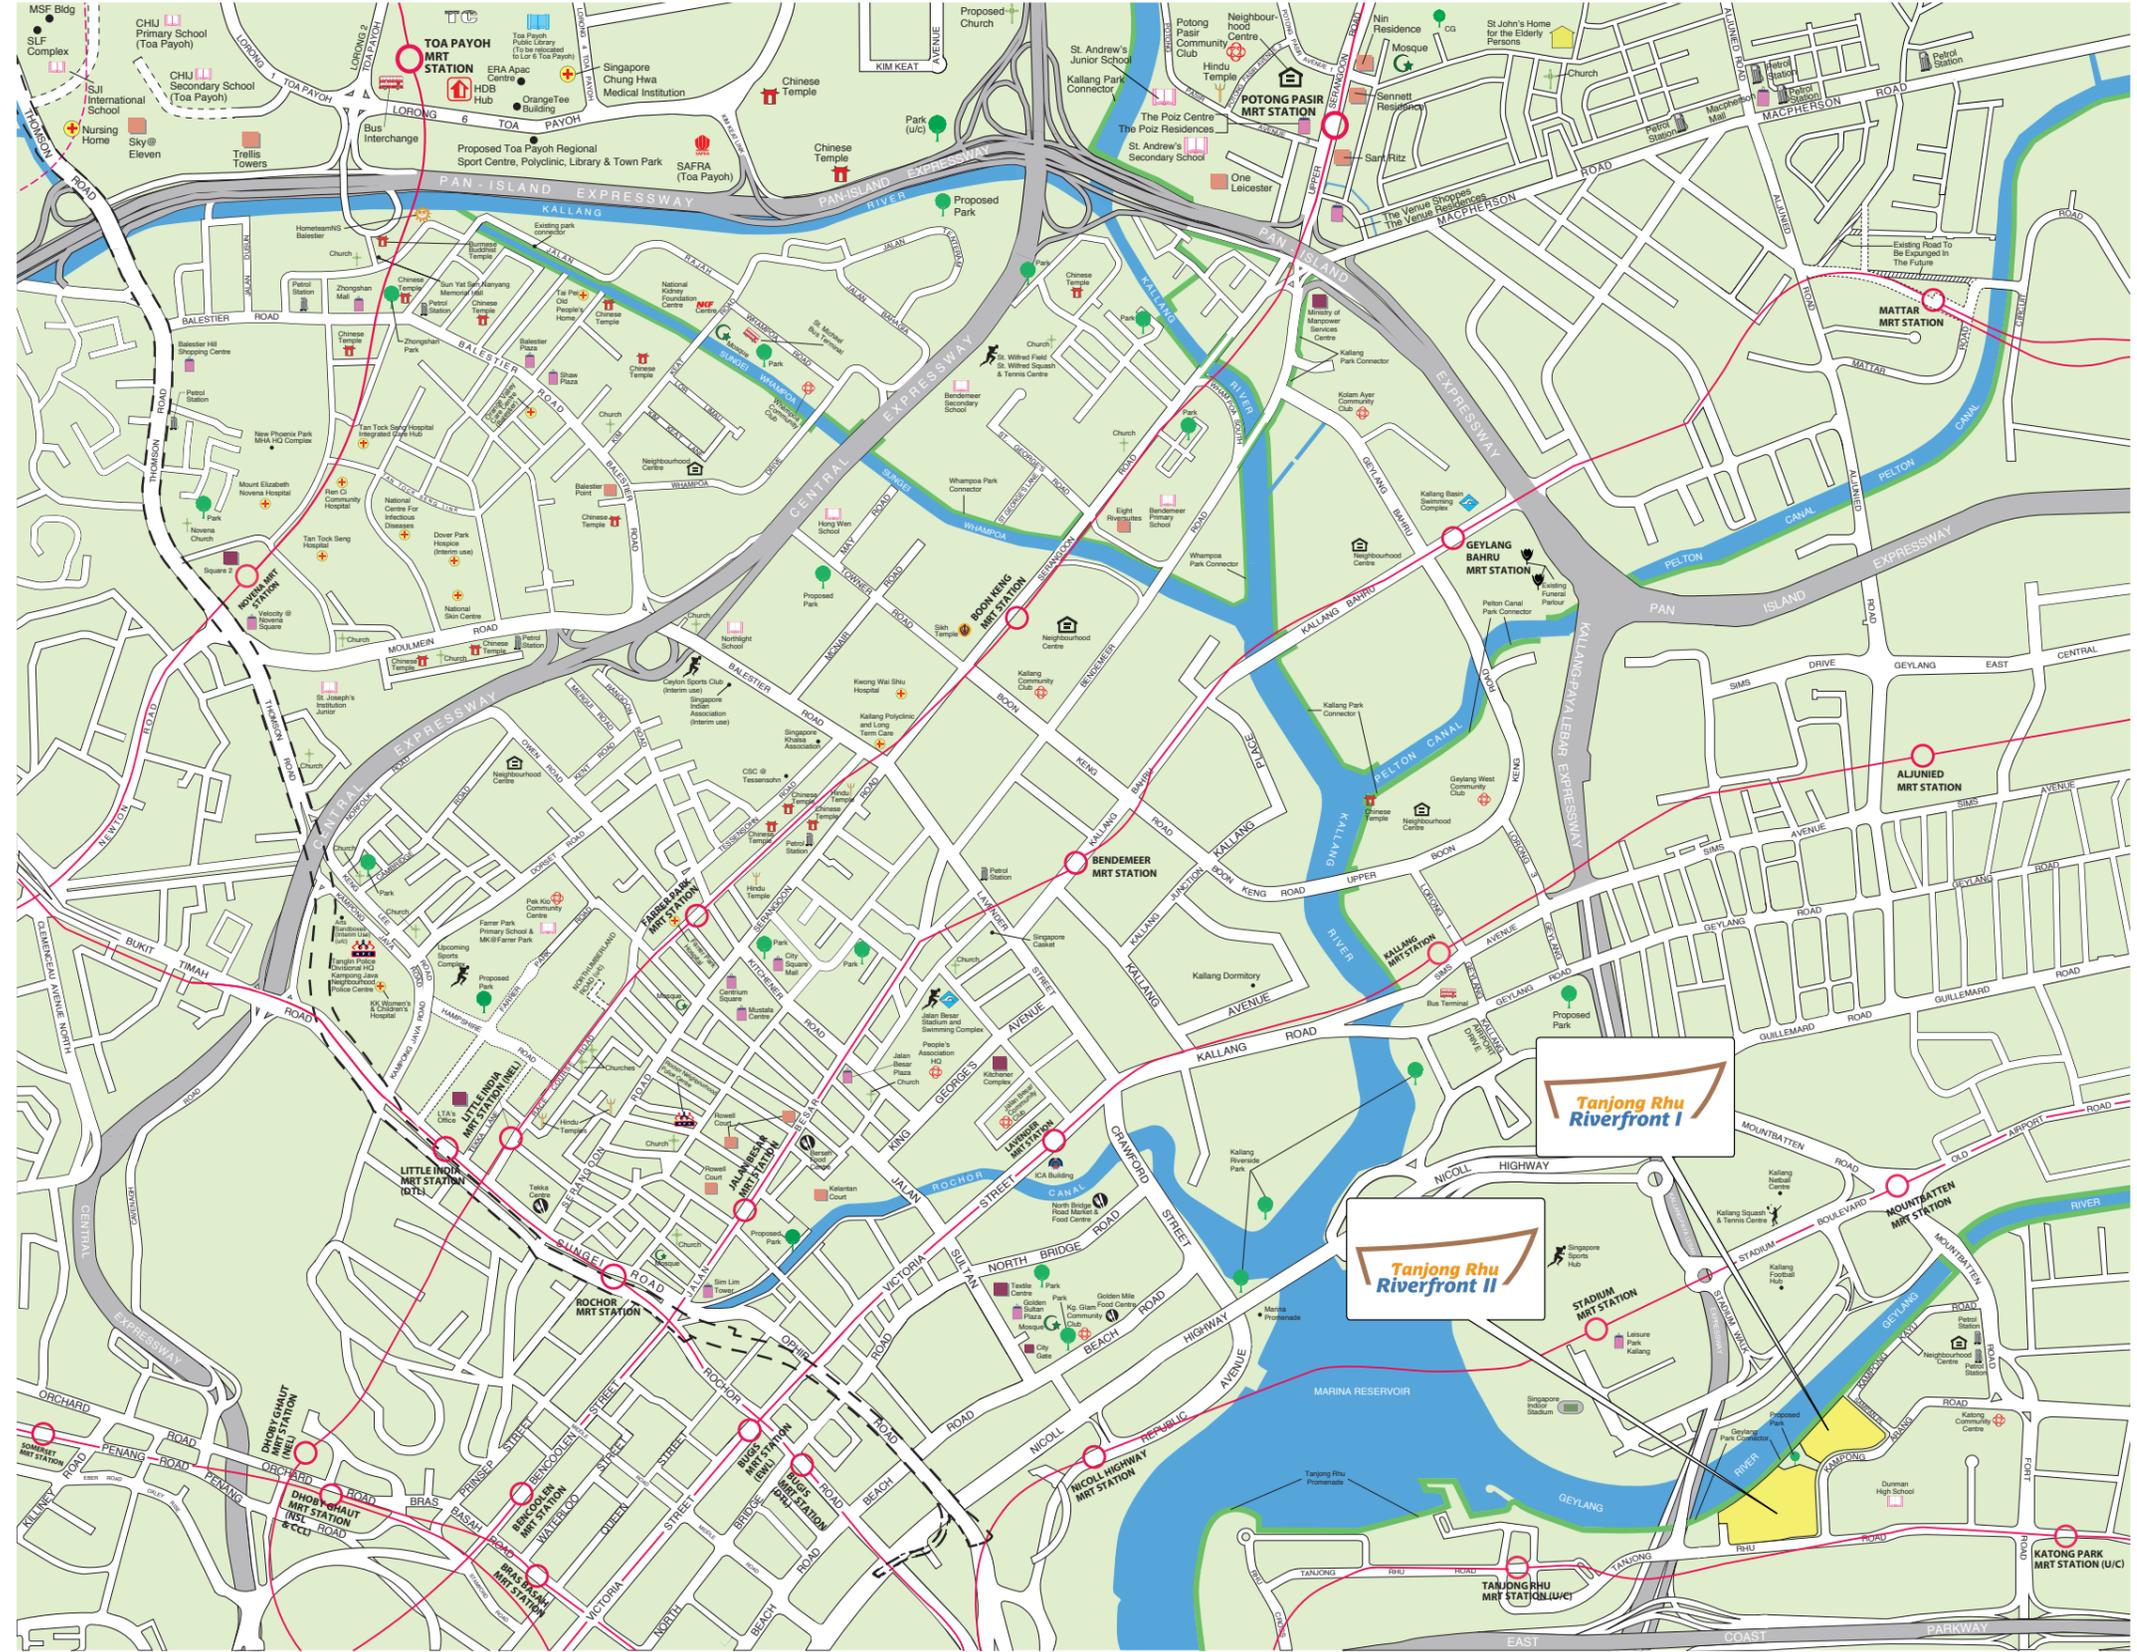

Artist's impression

Numerous facilities are planned within Tanjong Rhu Riverfront I & II, to provide residents with conveniences right at their doorstep. At Tanjong Rhu Riverfront I, there will be a 1-storey ancillary block that would house a preschool. Over at Tanjong Rhu Riverfront II, there will be a residents' network centre, a 2-storey ancillary block with a preschool and restaurants, and another 2-storey commercial block with an eating house, a supermarket, and shops. A 6-storey and 7-storey Multi-Storey Car Park (MSCP) will serve Tanjong Rhu Riverfront I & II respectively. The ancillary and MSCP blocks will come with roof gardens and viewing decks to take in sights of the Geylang River, which also function as community spaces. Both projects will offer more facilities amidst lush greenery, such as children's playgrounds, adult and elderly fitness stations, hardcourt, precinct pavilions, and rest shelters.

Please refer to the site plan for the facilities provided in Tanjong Rhu Riverfront I & II. Facilities in these projects will be accessible by the public.

# OPTIONAL COMPONENT SCHEME (2-ROOM FLEXI FLATS)

FOR SHORT-LEASE 2-ROOM FLEXI FLATS ONLY

**PACKAGE 3** offers elderly buyers the convenience of having a flat in move-in condition. It comprises:

## ELDERLY-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

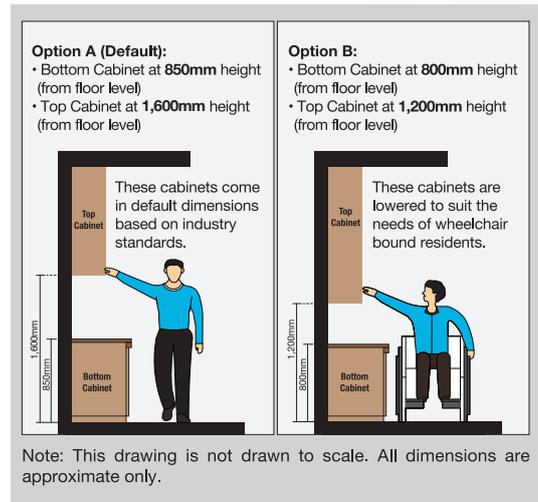

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)
- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower counter top height

- Folding door at the flexible space in the 2-room Flexi (Type 2) flats

## OTHER FITTINGS

- Window grilles for safety and security

- Mirror

- Toilet roll holder

- Lighting

- Water heater

**Buyers who opt for Package 3 must select Package 1.**

*Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.*
